TRAINING WORKSHOP SCHEDULE

MONDAY, NOVEMBER 16–THURSDAY, NOVEMBER 19, 2015

8am–5pm: **INTRODUCTORY PROBLEM GAMBLING COUNSELOR TRAINING (30 CEU)**

Presented by: **Isabelle Duguay, MA, Ps, LPCC, PCGC**

This 30-hour workshop serves as an introduction to problem and pathological gambling disorders. Participants will learn about the scope and prevalence of gambling and problem gambling on a national scale, risk factors, and how the increased availability of gambling during the past 10 years has affected the prevalence of gambling problems in the United States. The DSM-5 criteria for pathological gambling will be discussed, and participants will learn practical application of the most commonly used screening and diagnostic tools. This workshop outlines the types and sub-types of gamblers and several approaches to treatment of problem gamblers. Participants will learn about the disorders that most often co-occur with problem gambling and the effects of the disorder on family and loved ones. Introductory Training also includes an overview of topic areas covered on the National Counselor Certification Exam. **Introductory Problem Gambling Counselor Training is required for Washington State Gambling Counselor Certification.** (Ends at 3 pm on Thursday.)

WEDNESDAY, NOVEMBER 18, 2015–ADVANCED WORKSHOPS

8am–noon: **ETHICAL ISSUES IN THE TREATMENT OF PROBLEM GAMBLERS (4 CEU)**

Presented by: **Chuck Maurer, PhD, ABPP, WSCGC-II, NCGC-II, BACC**

This session will focus on the various ethical dilemmas treatment providers face in the course of treating problem gamblers and their families. The ethical guidelines of the Certification Board will be reviewed; participants will be asked to share the challenges they have faced, and methods for dealing with dilemmas will be explored. This will be an interactive workshop with much group process and dialogue.

1–5pm: **CLINICAL SUPERVISION AND CASE MANAGEMENT (4 CEU)**

Presented by: **Chuck Maurer, PhD, ABPP, WSCGC-II, NCGC-II, BACC, Carmela Washington Harvey, PhD, LMHC, GAL, WSCGC-II, and Harumi Hashimoto, MA, CDP, LMHC, NCGC-II, BACC**

This workshop will include basic definitions, an overview of the supervision process, and a discussion of clinical consultation requirements for certification of gambling counselors. The case management section of this workshop will provide participants with practical knowledge and tools on how to treat addicted gamblers and their loved ones, and how to manage cases. Geared toward mental health professionals and those working in the chemical dependency field, this session allows attendees to learn from experienced clinicians how to construct and carry out a treatment plan and some of the most effective practices for treating problem gamblers. This workshop is also designed to increase the knowledge and application of skills that enhance ethical practice.

This session qualifies toward the six hours of training on gambling-specific clinical supervision required to become a Gambling Counselor Clinical Supervisor.

THURSDAY, NOVEMBER 19, 2015–ADVANCED WORKSHOPS

8am–noon: **PROBLEM GAMBLERS WITH CO-OCCURRING DEPRESSIVE AND ALCOHOL USE DISORDERS (4 CEU)**

Presented by: **Jamey Lister, PhD, MSW**

This workshop will focus on two of the most common co-occurring disorders among people with problem/pathological gambling: depressive disorders and alcohol use disorders. In the first section, Dr. Lister will review rates of co-occurring depression among problem/pathological gamblers, characteristics that increase risk for depression, and important correlates (e.g., high suicide risk). Participants will learn clinical tools to use when screening clients for depression, as well as how to integrate principles of Interpersonal Therapy (IPT), an evidence-based depression treatment, alongside traditional problem gambling treatments. In the second section, Dr. Lister will review rates of co-occurring alcohol use disorders among problem/pathological gamblers, characteristics that increase risk, and important correlates (e.g., high risk for additional substance/drug use disorders). Participants will learn brief screening tools for both alcohol and substance use, and ways to integrate principles of Motivational Interviewing (MI), an evidence-based alcohol/substance use treatment, alongside traditional problem gambling treatments. Participants will gain in-depth knowledge and clinical skills related to psychiatric comorbidity among people with problem gambling.

1–3pm: **NATIONAL PROBLEM GAMBLING COUNSELOR TEST PREP ** AND CERTIFICATION INFORMATION (2 CEU)**

Presented by: **Isabelle Duguay, MA, Ps, LPCC, PCGC and Maureen Greeley, Executive Director, Evergreen Council on Problem Gambling**

To become a Certified Problem Gambling Counselor (nationally or in Washington State), treatment providers must pass the International Certification Examination for Gambling Counselors (previously National Certification Exam). This workshop will offer a review of the outline of gambling-specific topics that are covered on the national exam and discussion of such topics as prevalence, criteria, assessment, treatment strategies, neurochemistry, psychopharmacology, and gambling and the law. Includes sample test questions offered in a pre/post format with discussion.

PRESENTER BIOS

ISABELLE DUGUAY, MA, Ps, LPCC, PCGC

Isabelle Duguay has extensive experience establishing and implementing protocols and treatment programs in Problem Gambling and behavior change. She has developed training materials in problem gambling and PTSD for health care providers and therapists. Ms. Duguay has experience working with private and public employers developing services for the problem gambling population. She now works in private practice where she sees clients with anxiety disorders, depression, and problem gambling.

HARUMI HASHIMOTO, MA, CDP, LMHC, NCGC-II, BACC

Harumi Hashimoto received her Master's degree in Clinical Psychology with an emphasis in multi-cultural therapy from Argosy University. She is a clinical supervisor and board-approved clinical consultant, practicing at a community-based organization; Harumi specializes in multi-cultural issues, ATOD abuse/dependence and compulsive gambling behaviors.

JAMEY LISTER, PhD, MSW

Jamey Lister is an Assistant Professor at Wayne State University School of Social Work. His clinical research focuses on improving psychosocial treatment knowledge for individuals with substance/behavioral addictions and co-occurring mental health problems. He earned his PhD in the Center for Gambling Studies at Rutgers University School of Social Work, conducted his dissertation during a Fulbright Canada fellowship at Carleton University Gambling Lab, and was awarded the National Council on Problem Gambling's Durand Jacobs Dissertation Award in 2014.

CONTINUING EDUCATION/CERTIFICATION

All ECPG-related workshops qualify toward the 30 hours of gambling-specific education required by the Washington State and National Problem Gambling Certification Boards. The Evergreen Council on Problem Gambling is an Approved Provider of Continuing Education by The Association for Addiction Professionals (NAADAC) and the National Council on Problem Gambling (NCPG). Our workshops have also been approved for continuing education by the Addictions Counselor Certification Board of Oregon (ACCBO), the American Academy of Health Care Providers in the Addictive Disorders (AAHCPAD), and the Washington Mental Health Counselors Association (WMHCA).

CHUCK MAURER, PhD, ABPP, NCGC-II, WSCGC-II, BACC

Dr. Maurer is a clinical psychologist in private practice in Seattle and a certified gambling counselor in Washington State and nationally. He is on the clinical faculty of both the Graduate Department of Psychology and the Department of Psychiatry at the School of Medicine, University of Washington. Dr. Maurer has been President of the Board of Childhaven, the National Council on Problem Gambling, and the Evergreen Council on Problem Gambling.

CARMELA WASHINGTON-HARVEY, PhD, LMHC, GAL, WSCGC-II

Dr. Carmela Washington-Harvey's private practice includes working with children, families, couples, and individuals that are struggling with coming to terms with issues such as past or present trauma, gambling addiction, dysfunctional behavior, conflict resolution, and ADHD/ADD. She is a part-time lecturer in the School of Social Work at the University of Washington and a court-appointed Guardian ad Litem in King County's Family Court. She is also nationally board certified as a Mental Health Forensic Evaluator and Child Custody Evaluator.
