

PROFESSIONAL DEVELOPMENT/SCHOLARSHIP OPPORTUNITIES FOR WASHINGTON STATE TREATMENT PROVIDERS

Thank you for your interest in the professional development scholarship opportunities for Washington State treatment providers to attend the Introductory and/or Advanced Problem Gambling Training Workshops November 16-19, 2015. The scholarships were established, with the support of Division of Behavioral Health and Recovery, to encourage and support participation by professionals who have applied to become a Washington State certified gambling counselor and hold a current certificate or license issued by the State of Washington to provide mental health or chemical dependency treatment services to the public.

Applications for certification are available online at www.evergreencpg.org or by calling the Evergreen Council on Problem Gambling at 360.352.6133. Treatment providers with applications on file by November 9, 2015, are eligible. A limited number of professional development scholarships are available (total value up to \$470) that will include:

- Full Introductory or Advanced Workshop registration for November 16-19, 2015.
- Washington State Gambling Certification application fees (for those who have not yet applied).
- Hotel stipend of \$50 for up to three nights for any scholarship recipient who books his/her room at the designated training hotel (Coast Bellevue Hotel). Additional lodging costs, meals, and travel expenses are the responsibility of the attendee.

CONTINUING EDUCATION/CERTIFICATION

All Evergreen Council on Problem Gambling (ECPG) workshops qualify toward the 30 hours of gambling-specific education required by the Washington State and National Problem Gambling Certification Boards. ECPG is an Approved Provider of Continuing Education by The Association for Addiction Professionals (NAADAC) and the National Board for Certified Counselors (NBCC). Our workshops have also been approved for continuing education by the Addictions Counselor Certification Board of Oregon (ACCBO), the American Academy of Health Care Providers in the Addictive Disorders (AAHCPAD), and the Washington Mental Health Counselors Association (WMHCA).

Don't miss this opportunity to learn in an exciting setting and meet other treatment providers, researchers, and leaders in the field. For more information on professional development scholarship opportunities, contact ECPG at 360.352.6133 or visit www.evergreencpg.org.
