FOUR DIRECTIONS
HONORING OUR PAST & PROTECTING OUR FUTURE
September 29 - October 2, 2010

ABOUT THE CONFERENCE

Many representatives of Tribal Nations in the Pacific Northwest have come together to plan this important conference, Honoring Our Past and Protecting Our Future. Indian gaming has brought great growth and opportunities to build economic security and rebuild our communities. Just as we come together during the year with gaming industry leaders and experts, to share knowledge and perspectives on current issues affecting Indian gaming, we hope to bring together our Tribal Council leaders, behavioral health directors and counselors, education experts, and families to support each other with knowledge on health issues, addictions, and financial and safety concerns that affect our communities.

The first Four Directions conference held last year was a great success – so much so that interest grew rapidly in offering an expanded conference in 2010. The Tulalip Tribes is pleased to host this important event, and we are proud to welcome leaders such as Alan Bubalo, Gay Edmunds, Joanna Franklin, Sunny Guillory, Gordon James, Marcy Nichols, and so many others who will share their wisdom. Look over the full conference schedule and you’re sure to find something that will expand your knowledge and skills around Clinical and Behavioral Health, Family Support, Prevention and Outreach issues, and Responsible Gaming programs and policies.

We hope you will join us for this important event!

CONFERENCE COORDINATOR

The Evergreen Council on Problem Gambling is dedicated to increasing public awareness of problem gambling, expanding the availability of services for problem gamblers and their families, and encouraging research and programs for prevention and education.

Problem, or compulsive, gambling is a real disorder—similar to alcohol, drug, or sexual addictions. Fortunately, most people can enjoy recreational gambling responsibly. For some, that becomes impossible. While it may be a small percentage of our population, when you or someone you love has a gambling addiction, it is not a small problem. Broken marriages, bankruptcy, depression, and even suicide can result.
EARLY BIRD DEADLINE: September 1, 2010
On-site Only Registration available after September 23. Do Not Mail or FAX registration after that date. Only cash, check, or credit card will be accepted for on-site payment.
