TRAINING WORKSHOP SCHEDULE

MONDAY, JULY 29 - THURSDAY, AUGUST 1, 2019 - INTRODUCTORY CORE TRAINING

8 am - 5 pm  INTRODUCTORY PROBLEM GAMBLING COUNSELOR TRAINING (30 CE HOURS)

This 30-hour workshop serves as an introduction to problem and pathological gambling disorders. Participants will learn about the scope and prevalence of gambling and problem gambling on a national scale. The DSM-5 criteria for pathological gambling will be discussed, and participants will learn practical application of the most commonly used screening and diagnostic tools. This workshop outlines the types and sub-types of gamblers, and several approaches to treatment of problem gamblers. Participants will learn about the disorders that most often co-occur with problem gambling, and the effects of the disorder on family and loved ones. Introductory Training includes specifics of Gambling Disorder programs in Washington, counselor certification procedures, and an overview of topic areas covered on the National Counselor Certification Exam. Introductory Problem Gambling Counselor Training is required for Washington State Gambling Counselor Certification. (Ends at 3 pm on Thursday.)

WEDNESDAY, JULY 31, 2019 - ADVANCED WORKSHOPS

8 am - 5 pm  ETHICS IN PROBLEM GAMBLING COUNSELING: PAST, PRESENT, AND FUTURE (8 CE HOURS)
Presented by: Roger Humble, CADC-II, CGAC-II and Janet Bardossi, MSW, LCSW

This workshop is designed to increase the knowledge and application of skills that enhance ethical practice. Participants will discuss guidelines for effective ethical practice, and will consider how technology changes the picture of ethical practice. Professional boundaries, use of supervision for resolving ethical dilemmas, and making ethically sound decisions will also be discussed.

THURSDAY, AUGUST 1, 2019 - ADVANCED WORKSHOPS

8 am - Noon  A CLOSER LOOK AT GENDERED GAMBLING AND INTERVENTIONS: THE FEMALE GAMBLER (4 CE HOURS)
Presented by: Noëlla Piquette, PhD

This workshop will explore the issues and factors associated with the female gambling experience, including social gambling trajectories into problem gambling, and the interventions that have been found to be promising. A brief overview of the context of gambling, problem gambling, and gendered considerations in the differences found in behaviour, occurrence, treatment effectiveness, and generic intervention policies will be covered. Within this presentation numerous discussions, hands-on activities, and group based critiques of the critical points, changes, and events in women’s lives, both positive and negative, that are associated with shifts in gambling behaviours will be utilized. These rich conversations will contribute toward a more substantive understanding of how women progress from social into problem gambling and eventually, to recovery.

1 pm - 5 pm  GAMBLING AND OTHER ADDICTIVE BEHAVIORS IN THE ICD-11 (4 CE HOURS)
Presented by: Marc Potenza, MD, PhD

In this presentation, Dr. Potenza will review the rationale for the decisions made in the WHO’s 11th edition of the International Classification of Diseases (ICD-11) process as related to gambling and gaming disorder, as well as other impulse control disorders. Ongoing efforts with regard to generating and testing culturally sensitive screening and diagnostic instruments will be discussed, as well as an update on clinical considerations related to these conditions.

MONDAY, JULY 29 - THURSDAY, AUGUST 1, 2019 - RECOVERY COACH ACADEMY©

8 am - 5 pm  RECOVERY COACH ACADEMY©
Presented by: Vince Collins, MSW and Betsy Niemann, CDP

The CCAR Recovery Coach Academy© is a 4-day intensive training focusing on providing individuals with the skills needed to guide, mentor, and support anyone who would like to enter into or sustain long-term recovery from an addiction to alcohol, other drugs, and gambling. Participants will explore many dimensions of recovery and recovery coaching, including the components, core values, and guiding principles of recovery, stages of change and their applications, ethical and boundaries issues, and recovery wellness planning.

CONTINUING EDUCATION/CERTIFICATION

All ECPG-related workshops qualify toward the 30 hours of gambling-specific education required by the Washington State and National Problem Gambling Certification Boards. The Evergreen Council on Problem Gambling is an Approved Provider of Continuing Education by The Association for Addiction Professionals (NAADAC) and the National Council on Problem Gambling (NCPG). Our workshops have also been approved for continuing education by the Mental Health Addictions Certification Board of Oregon (MHACBO), and the American Academy of Healthcare Providers in the Addictive Disorders (AAHCPAD).
PRESENTER BIOS

Janet Bardossi, LCSW holds a masters degree in social work and is a licensed clinical social worker as well as holding certification as a master addiction counselor. She has been in social services for more than 25 years and currently serves as the director of an independent consulting business dedicated to increasing recovery opportunities for individuals, families, and communities. She has also taught at the university college and university level.

Vince Collins, MSW, ECFC Recovery Systems Consultant, has 40 years of state service in social services, with field experience and program management in Child Welfare, and 12 years as project director for the Washington State Access to Recovery Program. Vince continues his efforts to build recovery communities and support systems. He currently is a senior trainer with the CART Collaborative.

Maureen Greeley, BS, Executive Director of the Evergreen Council on Problem Gambling (ECPG), has worked with and for ECPG since 1998, and became Executive Director in November 2006. In 2018, she received the National Council on Problem Gambling’s Lifetime Achievement Award for Advocacy. She has presented on Problem Gambling, Process Addictions, Responsible Gaming, Gambling Counselor Certification, Social and Internet Gaming Standards, and more across the United States.

Roger Humble, CADC-II, CGAC-II has been in the Health Care and Addiction field for more than 30 years. He began his counseling career at BridgeWay in 2004 in the detox program, and worked there in several different capacities including intern supervisor and clinical supervisor for residential services. He also provided basic gambling supervision and education for entry level addiction counselors. Roger has been in his current position at Linn and Benton Counties as the problem gambling specialist since 2013.

Betsy Niemann, CDP graduated from Skagit Valley College with an ATA in Human Services. She served as a CDP for 13 years, including 2 years as Clinical Director. She has worked as the Drug and Alcohol Coordinator for Island Human Services. She served as a CDP for 13 years, including 2 years as Clinical Director. She has worked as the Drug and Alcohol Coordinator for Island Human Services. She served as a CDP for 13 years, including 2 years as Clinical Director. She has worked as the Drug and Alcohol Coordinator for Island Human Services.

Noëlla Piquette, PhD is an Associate Professor and Registered Psychologist at the University of Lethbridge. Her research areas in gambling include gender specific treatment options and identification of gendered issues. She has been involved in women’s problem gambling issues since 2003 with numerous presentations and publications. Her graduate supervision, teaching, and research interests encompass diversity, gender studies, special education, and developmental psychology.

Marc Potenza, MD, PhD is a board-certified psychiatrist with sub-specialty training and certification in Addiction Psychiatry. He is a Professor of Psychiatry, Child Study, and Neuroscience at the Yale University School of Medicine, where he is a Senior Scientist at the National Center on Addiction and Substance Abuse and the Director of the Problem Gambling Clinic, the Center of Excellence in Gambling Research, and the Women and Addictive Disorders Core of Women’s Health Research at Yale.

Denise Quirk, MA, MFT, CADC, ICGC-II, CPGC-5 is a certified clinical supervisor and gambling counselor specializing in treatment for families. She is CEO and Clinical Director of the Reno Problem Gambling Center, a nonprofit outpatient treatment center. She serves on the Board of the Nevada Council on Problem Gambling and is a member of the Nevada Governor’s Advisory Committee for Problem Gambling. Denise is co-author of Gambling Patient Placement Criteria, and a field reviewer for The ASAM Criteria.

Tana Russell, CDP, NCTTP, WSCGC-II has been practicing in the fields of Drug and Alcohol counseling since 2009. She is currently the Outreach and Education Specialist at the Providence St. Peter Chemical Dependency Center, and leads the Tobacco Cessation Education and Gambling treatment programs. She recently launched a co-occurring Gambling and Substance Use Disorder (GSUD) Relapse Prevention Treatment program and is writing curriculum to include both alcohol/drug and gambling terminology.

Roxane Waldron, MPA is the Problem Gambling Program Manager with the Division of Behavioral Health & Recovery, at the Health Care Authority. She has served as the Cancer Screening Qi Consultant for the Breast, Cervical, and Colon Health Program at the Washington State Department of Health. Roxane worked as the Training Manager for the Evergreen Council on Problem Gambling, the Behavioral and Oral Health Coordinator for the Washington State Primary Care Association, and as a Mental Health Training Coordinator for the University of Washington.
