

# PROFESSIONAL DEVELOPMENT/SCHOLARSHIP OPPORTUNITIES FOR WASHINGTON STATE TREATMENT PROVIDERS, PREVENTION SPECIALISTS, PEER/RECOVERY COACHES, EDUCATORS, STUDENTS

Thank you for your interest in the professional development scholarship opportunities to attend the ENGAGE Digital Mid-Month Training Workshops. The scholarships were established, with the support of Washington Healthcare Authority, to encourage and support participation by professionals who have applied to become a Washington State certified gambling counselor and hold a current certificate or license issued by the State of Washington to provide mental health or chemical dependency treatment services to the public. Scholarships are also available for Prevention Specialists, Peer/Recovery Coaches and undergraduate/graduate students or professors/counselors in accredited Washington State college and university behavioral health, addictions, and counseling programs.

Applications for certification are available online at [www.evergreencpg.org](http://www.evergreencpg.org) or by calling the Evergreen Council on Problem Gambling at 360.352.6133. Treatment providers with applications on file are eligible. A limited number of professional development scholarships are available (total value up to \$464) that will include:

- Full ENGAGE Digital Mid-Month Training Workshop registration (up to four days).
- Washington State Gambling Certification application fees (for those treatment providers who have not yet applied).
- 1-year ECPG Membership for new members

## CONTINUING EDUCATION/CERTIFICATION

Evergreen Council on Problem Gambling (ECPG) workshops qualify toward the 30 hours of gambling-specific education required by the Washington State and National Problem Gambling Certification Boards. ECPG is an Approved Provider of Continuing Education by The Association for Addiction Professionals (NAADAC) and the National Council on Problem Gambling (NCPG). Our workshops have also been approved for continuing education by the Mental Health Addictions Certification Board of Oregon (MHACBO) and the American Academy of Health Care Providers in the Addictive Disorders (AAHCPAD). Application pending with Prevention Specialist Certification Board of Washington (PSCBW).

Don't miss this opportunity to learn in an exciting setting and meet other treatment providers, researchers, and leaders in the field. For more information on professional development scholarship opportunities, contact ECPG at 360.352.6133 or visit [www.evergreencpg.org](http://www.evergreencpg.org).
