Professional Development Scholarship Opportunities for Washington State Treatment Providers

Thank you for your interest in the professional development scholarship opportunities for Washington State treatment providers to attend the **Focus on the Future** conference May 1-4, 2023. The scholarships were established, with the support of Washington State Health Care Authority, to encourage and support participation by professionals who have applied to become a Washington State certified gambling counselor and hold a current certificate or license issued by the State of Washington to provide mental health or chemical dependency treatment services to the public. Scholarships are also available for Peer/Recovery Coaches and undergraduate/graduate students or professors/counselors in accredited Washington State college and university behavioral health, addictions, and counseling programs.

Applications for certification are available online at www.evergreencpg.org or by calling the Evergreen Council on Problem Gambling (ECPG) at 360.352.6133. Treatment providers with applications on file by April 25, 2023, are eligible. A limited number of professional development scholarships are available (total value up to \$655) that will include:

- Registration for up to four days (pre-conference and main conference – May 1-4, 2023).
- Washington State Gambling Certification application fees (for those who have not yet applied).
- Hotel stipend of \$50 per night, up to three nights, for any scholarship recipient who books his/her room in the ECPG room block at the DoubleTree by Hilton - Southcenter. Additional lodging costs, meals, and travel expenses are the responsibility of the attendee.

CONTINUING EDUCATION/CERTIFICATION

All Evergreen Council on Problem Gambling (ECPG) workshops qualify toward the 30 hours of gambling-specific education required by the Washington State and National Problem Gambling Certification Boards. ECPG is an Approved Provider of Continuing Education by The Association for Addiction Professionals (NAADAC) and the International Gambling Counselor Certification Board (IGCCB). Our workshops have also been approved for continuing education by the Mental Health and Addiction Certification Board of Oregon (MHACBO) and the American Academy of Health Care Providers in the Addictive Disorders (AAHCPAD).

Don't miss this opportunity to learn in an exciting setting and meet other treatment providers, researchers, and leaders in the field. For more information on professional development scholarship opportunities, contact ECPG at 360.352.6133 or visit www.evergreencpg.org.
